EDITOR'S NOTE

DUE DATE FOR ARTICLES

Just a friendly reminder - all items for our newsletter are due by the 15th, monthly. Unfortunately, waiting for items after that delays us, and members living out of town do not receive it before the next meeting.

PRESIDENT'S MESSAGE

Dear members: It is my prayer that each of you are healthy and safe. What a year 2020 was and how this year is beginning to play out. It was with very sad news that we will not be able to have the Swap Meet again, but we will forge ahead. I think there are some options being explored of maybe having it postponed till later, but we shall see. It seems our life is on hold and plans seem to be one-day-at-a-time.

Looking on the bright side we would like to have a slate of officers to present for election on Feb 4th. I am looking forward to passing the baton to those that want to see the Lawrence Region AACA move forward with new ideas and goals. I know there are some of you out there itching to see some of your ideas in play and leadership is the way to start. Just give the Board of Directors a quick email if you are interested and we thank you for volunteering.

I certainly appreciate the few opportunities we had last year to get together, cruise or just park and chat. Thanks, Darrell, and all for letting us briefly get together. I look forward to more gatherings like this when winter is over and spring is in the air.

Please remember, keep in touch with your current projects or old projects that had lessons-learned to be shared. Shirley is working very hard to keep us together, so send articles of interest or personal articles to her by the 15th for the Clutch Chatter.
