A big thank you to Darrell Workman for organizing our participation in the St. Patrick’s Day Parade. There were 19 participants. A very good showing. There was some discussion about getting magnetic signs but nothing official acted on.

**New Business:**

Margaret Barnes was contacted by a person, Kim Bosch, that she was injured last year at the Oct. 6<sup>th</sup> Car Show at Broken Arrow Park. She is asking for \$1334.40 compensation for medical bills. The AACAA Insurance and the City of Lawrence Parks & Rec denied any responsibility for the claim. Jack Todd moved that we do not pay the claim. Motion carried 13 for and 6 against. Some discussion followed on possibly having a sign at the entrance of “Not Responsible for Accidents” and to look into personal injury insurance for the one day of the Car Show. No official action taken.

Door prize won by Steven Hubbard and no refreshments needed for next meeting.
